

Townsend Engineering - Licensed Civil Engineer

Due to our company's continued growth, Townsend Engineering has a need for a full-time Licensed Civil Engineer to join our close-knit team in Davenport, Iowa. Our ideal candidate would be a self-motivated individual with design experience who enjoys working on various projects, in a fast-paced work environment while maintaining the highest level of client service.

The right person would have experience with civil infrastructure projects, preparation plans, and specifications for bidding for residential, commercial, and industrial applications.

Primary Responsibilities and Duties:

- Project planning and design
- Preparation of project plans and specifications
- Perform technical and feasibility studies including site investigations
- Interact with clients and a variety of professionals including architects and subcontractors
- Adapt designs to changing circumstances while maintaining schedules and budgets
- Inspect facilities or sites to determine if specifications or standards have been met
- Direct, or participate in, surveying to lay out installations or establish reference points, grades, or elevations to guide construction.
- Estimate quantities and cost of materials, equipment, or labor to determine project feasibility.
- Analyze survey reports, maps, drawings, blueprints, aerial photography, or other topographical or geologic data.

Required Experience and Qualifications:

- Bachelor's Degree in Civil Engineering
- Proficient in AutoCAD and Civil 3D design software
- Strong knowledge of Windows operating system and Microsoft Office
- Iowa and Illinois PE licensure preferred
- Experience with site design, grading plans and storm water detention design
- Strong verbal, written, and communications skills with the ability to clearly communicate technical subject matter to a wide range of audiences
- Multitasker who can work independently
- Desire and ability to learn new skills and assume new responsibilities
- Sound mathematical and problem-solving skills
- Excellent verbal and written communication skills

Position is full time, M-F, with occasional weekend or overtime requires, primarily due to work load or deadlines. Salary is commensurate with experience. Townsend Engineering is an Equal Opportunity Employer.
